About Stadshaven Brewery

Large independent brewery

Stadshaven Brouwerij is the second largest independent brewery in the Netherlands and brews 2 million liters of craft beer annually. You can go here for tours, beer tastings and a gastronomic experience in their impressive catering facility. The gastropub is divided into different areas, all with their own identity. It is spacious enough to seat 350 people comfortably and also has a standing capacity of up to 1000 people. They also have a terrace of 750 m2, which is located directly on the water.

In addition to their (self-brewed) beers, you can enjoy tasty dishes here – prepared in the smoker, on the BBQ or from the brick oven – in a relaxed atmosphere on the water or with a unique view of the brewing kettles.
