About Congresbureau Erasmus MC

Yearly, the Congresbureau organises around 150 national and international conferences, refresher courses, symposiums and other business events. As part of the Erasmus MC, the primary area of expertise is in healthcare, medicine and biomedical sciences, but it also has extensive experience in organising conferences outside the medical sector.

The Congresbureau is a certified PCO and proud partner of Rotterdam Partners. Through long and close relationships with other parties in the conference industry (hotels, conference venues, caterers and AV companies) the Congresbureau can offer a lot of added value. This is expressed for example in competitive quotes and realistic budgets, but also in agile logistics during the event. Clients have relied upon the knowledge and know how of the Congresbureau staff for over 30 years. The team has a collective experience in conference organising of more than 90 years and knows which manners are appreciated within the scientific community. The customers of the Congresbureau are satisfied with our service: the average score is 8 out of 10. Obviously, the Congresbureau is very proud of this!
