About Hulstkamp Building

Building with special history

The Hulstkamp Building is located along the Maas on the Noordereiland in Rotterdam, a proud eye-catcher and historic national monument. It has a multifaceted history, first as a factory and later as a museum, and from 1995 as an event location. It is a wonderful place for company parties, dinners and presentations. Despite wars, this building has survived, and the story of its history is definitely worth exploring!
